March

Monday 5th

Curriculum Day

Friday 9th

Year 3 Class Assembly

PTA NEWS

Congratulations and a big thank you to Lucie Phillips who was elected as the new Chair to the PTA at their meeting this week. The PTA will be holding a film night next Friday (details to follow) and will be selling Mother's Day gifts at school on 9th March. If you have any spare time to lend a hand, please let Lucie or the school office know. Thank you for your continued support.

SAMBA DRUMMING

Last Friday Years 1, 2 3 & 4 took part in Samba Drumming workshops. The children had a great time (although I think some of the staff needed a paracetamol by the end of the day!). See attached picture montage.

E-Safety

Simon Aston, our LA e-safety officer has reported that he is spending a considerable amount of time with individual families in order to resolve e-safety issues in Northamptonshire. Top tips to consider are:

- Encourage the family to talk about the positives of the internet and gaming, and also talk about the negatives.
- The children or child is to come up with some technology rules and the child or children also sets the consequences. Children are more likely to buy into the rules if they set them.
- Download for free the family agreement from Childnet International and the school can support the family with this. <http://www.childnet.com/resources/family-agreement>
- Don't forget, blocking and removing devices could cause or increase secretive behaviour.

HEADTEACHER AWARDS

VALUE STARS

Our value for January is Honesty
