

WEST HADDON PRIMARY SCHOOL

Summer Term

Nursery

Welcome

We hope you all had a lovely Easter break, and ate lots of chocolate!

This is always a busy term, we will soon be starting to practice our maypole dancing in preparation for May Day (date and time to follow).

From Tuesday all the Nursery children will have the opportunity to have a turn on the balance bikes, which we are really excited about!

Sessions.

Our sessions are filling up fast so if you require any additional sessions please let Gemma or Nic know asap.

Thank you

Cool Milk

If you haven't already could you please also register your child for their free milk entitlement through Cool Milk at www.coolmilk.com

Many thanks

**Our Value for this month is
Honesty**

Topic

This term's topic is 'Amazing Animals'. We will be looking at how to care for animals, learning about where animals live and identifying animals and their young. This will be across different groups of animals from pets to wild animals.

Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks.

If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

We also add in termly activities linking to the topic, for the children to complete at home.

This is a lovely experience for the children to share with their friends during circle time.
