15<sup>th</sup> November 2024

## Internet Safety

'Imagine a world where respect and kindness thrives — it's not just a dream, it's in the choices we make.'

The following website provides useful tips for parents to support their children with issues connected with cyberbullying. In particular, there is a really useful YouTube video about how to prevent cyberbullying – safeguarding is everyone's responsibility.

## Headteacher Awards & Value Stars

## Football

### Regional Schools Competition for Years 5/6

This week we took a group of 11 children to compete in the regional schools competition. Competition was fierce and we were up against a number of large schools. We played for most of the day and overall came 10th out of 16 schools. Well done one and all and a big thank you goes to Mrs Dawson for organising the event.

## ANTI BULLYING WEEK

This week we have been learning about bullying and how to deal with issues. This year's theme is 'Choose Respect' and the children have been considering what this means in a range of different scenarios. On Tuesday the children had an Odd Socks Day to celebrate their individuality and what makes us unique. School Council have also prepared a School Worship and presented this to the whole school. At the end of the week the children will take home a pin badge to remind themselves of all their learning. Why not ask your child about this so that you can reinforce the importance of choosing respect and kindness. For further information please check out the Anti Bullying Alliance website:
