6th December 2024

Ofsted Visit

A massive thank you for all of your support over the past week, during our Ofsted visit. The Ofsted inspector was amazed at the level of parental response and the time taken to write so many positive comments. If you are interested parents can access the results online

<https://parentview.ofsted.gov.uk/parent-view-results/survey/result/16522/15>

The Ofsted report will take a couple of weeks before it is published but we are hoping this will be available for parents to read before the end of term. From the verbal feedback given to staff and governors, I am sure that you will be pleased with the findings.

Consultation on Admission Arrangements 2026

The local authority (West Northamptonshire Council, WNC) is currently consulting on the admission arrangements for 2026 for community and voluntary controlled schools and is proposing to give some priority for admission to children of school staff.

To see where the new priority would sit within our oversubscription criteria, and to let WNC know your views on this, please view the WNC admission arrangements for 2026 on the [WNC website](#).

The consultation will run until 31 December 2024. Following the consultation, all comments/objections received will be considered and then WNC will decide whether to go ahead and introduce this criterion for all community and voluntary controlled schools.

Christmas Post Box

Next Monday the Christmas Postbox will be available in the front entrance for children to post their Christmas cards. Please remember that we need the first name and surname as well the class so that our Christmas Elves can deliver to the right child.
