Ukulele Project with Year 4

Year 4 have started their weekly lessons, learning to play the ukulele as part of the Northamptonshire Music and Performing Arts Trust. This 'first access' project will last for 10 weeks and will culminate with a performance to the school and Y4 parents. The children will also have the opportunity to take lessons further with the Music School should they wish to continue.

Brass Recital

This week all of our children, including Nursery, were treated to a Brass Recital from the Northamptonshire Music and Performing Arts Trust. We learnt about the different types of musical instruments and how sounds are created through vibrations. It was a privilege to experience a live performance and we all had a great time.

Fixed Play Apparatus

Please can I remind you that children are not permitted to use the fixed play apparatus before and after the school day as these areas are not supervised by our staff. This is particularly important to remember during the cold weather, as the frost can make the surfaces and equipment very slippery.
