

WEST HADDON PRIMARY SCHOOL

Newsletter No. 23

7th March 2025

WORLD BOOK DAY

It was great to see so many children and staff dressed as book characters this week. Our older children enjoyed sharing stories with the younger children in school and nursery.

It is British Science Week next week 10th – 14th March. The children will be involved in different science related activities throughout the week. Starting with an assembly run by the School Council. A letter with further information about science week and a science competition has been sent out.

ELECTIONIC DEVICES

It has been lovely to see so many children wearing analogue watches in school and learning to tell the time. We would like to remind you that watches and devices with games, cameras or that enable you to communicate with others are not permitted in school. Thank you.

HEADTEACHER UPDATE

Mr Rosevear has been requested by the diocese to support a group of schools in a local academy trust for a fixed term but he will still be involved here at West Haddon. School life will continue as normal and your children will continue to receive an excellent education. Any queries or concerns regarding your child's learning please see your child's class teacher. If you need to speak to any member of the leadership team please contact the office to arrange an appointment.

Many thanks for your continued support.
