

WEST HADDON PRIMARY SCHOOL

Newsletter No. 24

14th March 2025

Science Week

All week children across the school have been participating in various science activities linked to the theme 'Change and Adapt'.

The School Council did a great job of helping to lead Monday's British Science Week assembly and they led an activity at break times with children from each year group that focused on finding out how height changes as we grow. Everyone enjoyed looking at the results of the investigation in our Celebration Assembly and watching the teachers have a go at the activity too!

Kingswood Catering

Our Year 5 children have had a lovely day cooking in the kitchens at Kingswood. They used their culinary skills to make spaghetti bolognese. I hope they all enjoy eating it.

QUESTIONNAIRE

Thank you for all those that have completed our Community Worship survey. If you would still like to complete this the link is https://docs.google.com/forms/d/e/1FAIpQLSe_YOHViPD-lpZkiE0ayEun2boaPZP0Q2hAiplnnz1Cw9_O1A/viewform?usp=header
