## Egg Decorating Competition

Just a heads up that we are holding an Egg decorating competition on Wednesday 2<sup>nd</sup> April. These can be based around any theme you choose. Here are a few examples from a couple of years ago.

## PARKING

A polite reminder that we all need to be respectful when dropping off and collecting children from school. I have had a number of complaints from residents who have had the access to their property blocked. I would recommend that you leave plenty of time to find a parking space or even better try to walk to school if you can, particularly as the weather is changing. Many thanks for your support with this matter.

## Sunny Weather

This week we have been able to use the field for our playtimes and lunchtimes for the first time in 2025 – the sunny weather makes such a difference and the children have really enjoyed the extra space and opportunity to play games.

Although we are still wearing coats and not quite there yet, as the weather warms up we request that parents consider applying all day suncream before school as well as ensuring that the children have a water bottle.

## Nursery Provision

Look what our lovely nursery have been up to this week.
