YEAR 3 KINGSWOOD VISIT

Our Year 3 children went to visit Kingswood Catering Hub this week and spent the day learning cooking skills. At the end of the school day the children had learnt to make their own pastry and cooked a rainbow vegetable tart each which was taken home for tea! I hope you all enjoyed eating your own concoctions – they smelt delicious!

Admissions for September 2024

The Reception places for the next academic year have been allocated and parents have been notified of their allocation. In September we will welcome 25 new children to our school family. We hope that they have an enjoyable time in their new school. If you know of a child who is four years old and has not been allocated a school, please let us know as there is still time to apply though the admissions team at West Northants.
