CROSS COUNTRY COMPETITION

This week we took our children to compete in a Northants Sport cross country competition. The children had to run various courses, similar to the junior parkrun with a distance of 2km and completed against 7 other local schools. The children did very well and their positions were added up to calculate an overall final score. Our school came 5th place and we were well spirited despite the amount of running and inclement weather. Well done one and all.

Target Festival – Year 6

Year 6 went to Guilsborough Playing Fields this week to take part in a sports festival. The children took part in a range of different sports that used the skills of aiming and striking targets. Luckily the weather was much better than the cross country event!

Fixed Play Apparatus

Please can I remind you that children are not permitted to use the fixed play apparatus before and after the school day as these areas are not supervised by our staff.

SUMMER FOOTWEAR

Now that the summer months are upon us, some children prefer to wear summer footwear. Flipflop style sandals/sliders are hard to play in and children can get some nasty injuries when running so we request that the sandal fits around the back of the foot as well as over the top. Please also remember that trainers are not permitted as part of our school uniform.

Our Value for the Month is

HONESTY
