Newsletter No. 28

25th April 2025

Walking to and from School

We always encourage families and children to walk to and from their homes where possible – there are many health benefits to walking and it also helps to alleviate congestion around the school.

We ask that families consider the following;

- ✓ If you are driving, please take extra care with your parking and driving to help keep our children safe.
- ✓ The Green in front of the school can be very congested, please walk around the sides and use the paths wherever possible. We ask that drivers do not park in The Green unless they have a disability blue badge.
- ✓ Younger children need to hold an adult's hand to keep them safe.
- ✓ Children in Years 5 and 6 may be trusted to walk to school on their own or in groups. We recommend that families base this decision on the maturity of the child.
- ✓ The school does not take responsibility for the children outside of the school gate, although we will try to support families where possible.
- ✓ Families that bring dogs on their walk, do not bring onto our school site and tie up away from the school gates.

Thank you for your continued support.

Admissions for September 2025

The Reception places for the next academic year have been allocated and parents have been notified. We are looking forward to welcoming our new children and families to our school. If you know of a child who is four years old and has not been allocated a school, please let us know as there is still time to apply though the admissions team at West Northants.

Spring Flower Show

Many thanks to Andy who helped the children with our entries for the spring flower show, the display looked great.
