Year 5 Clip and Climb

The children in Year 5 experienced a session at the Clip and Climb centre in Weston Favell, this week which was fully funded by Sports Premium (linked to the Government Tax on Sugar). The children had a great time and had to persevere with the different challenge levels throughout the session. Particular congratulations go to Brandon and Eloise who were given an award for these attributes.

NUTS

Just a reminder that we do have some children who have various severe nut allergies in our school. For this reason we are a 'nut free' school. Please do not send in nuts of any type for your child's snack or packed lunch; this includes peanut butter and hazelnut/chocolate sandwich filling. This is also important should your child need a packed lunch for a school trip. Thank you for your support with this matter.

SUN CREAM AND SUN HATS

Now that the weather is warming up, can you please ensure that you apply sun cream to your child in the morning and that they bring a named sun hat with them for break and lunchtime. Please also ensure they have a water bottle in school
