

WEST HADDON PRIMARY SCHOOL

Newsletter No. 3

19th September 2025

Rhythmicity

We were very fortunate to have a visit from Rhythmicity this week. All classes including our Nursery children took part in drumming workshops throughout the day. Our younger children used drumming patterns to tell a story. Our older children took part in a drumming circle where the children improvised their own rhythms – they sounded great!

Reading

We all know how important reading is; it stimulates the brain, expands our vocabulary whilst also reduces stress and improves sleep. We encourage our children to read from an early age. As a school we use Read, Write Ink. to support our reading. We have a wide selection of fiction and non-fiction books which are available in our Library. Today we have sent out some recommendation's that you could use at home with your children as we are often asked for this information. Happy reading!

Fixed Play/Gym Equipment

Just a polite reminder that children should not be using this equipment after school – please can you support us by not allowing your children to use the equipment.
