Newsletter No. 30

17th May 2024

Year 6 SATS

Congratulations to our Year 6 children who have successfully completed a very busy SATs test week. The children have worked incredibly hard and coped well with the pressure. Over the next few weeks the children will continue to work on their learning as well as focussing on their end of year activities and transition to their next school.

Value Stars and Headteacher Awards

*Nursery have been planting
sunflower seeds and
creating sunflower pictures
using pasta.*

PIC•COLLAGE

Summer Stay and Play Sessions Reception 2024

The Local Authority has currently allocated 24 places for our Reception class next year. We hope these new children will be happy in their new school. We are pleased to offer transition sessions starting **Thursday 6th June from 1.30pm to 2.30pm** starting from **Thursday 6th June**.

During these times the children will be able to have lots of fun joining in with activities as well as meeting teachers and new friends. For each session, a member of the Reception team will collect your child from the school office door at 1.30pm and take them up to the Reception class. Please then collect your child from outside the main school office at 2.30pm. If your child attends our nursery on this day then they will come up to join us with a member of the Nursery team.

Our Value for the Month is HONESTY
