YEAR 6 MULTISPORTS

Year 6 spent all morning participating in the Daventry Athletics Festival alongside children from a number of local schools. They had a great time improving their throwing, jumping and running skills, taking part in challenging activities such as the triple jump. After an exhausting few hours of activity we were expecting a sleepy coach journey, however, the children were full of energy and treated us to singing their songs for the upcoming production.

YEAR 4 FOOTGOLF

As part of our Sport Premium Programme, funded by the Sugar Tax, we have been trying to provide different activities for the children to experience – so far these have included clip and climb, rock climbing and sports festivals. Year 4 have been busy playing footgolf at Brampton Heath this week and despite the rain, they had a fantastic time.

Headteacher Awards and Value Stars

Our Therapy Dog

Lola has been with us for a term now and I think that most of you will have had the opportunity of meeting her on the gate on a Tuesday or Thursday morning. Since she joined us, she has primarily been working with Mrs Jones helping in her sessions with the children. She has also provided a boost to our staff's well-being as they all look forward to their morning greeting with her as she visits their classrooms before the start of school. She has taken part in World Book Day and also had her photo taken by the school photographer! I think we can all agree that she has so far proved to be a very welcome addition to our school.
