Private Music Lessons

Northamptonshire Music and Performing Arts Trust (NMPAT) deliver music lessons in schools for children in Year 3 and above. From September they will have vacancies for guitar lessons. These lessons are paid for by parents directly to NMPAT. Please visit www.nmpat.co.uk for further information or to book a place

Parking and Road Safety

To help keep our children safe, we ask that parents do not park in the school car park or The Green when dropping off and collecting children. Manoeuvring your car in a tight space whilst children are crossing the road is a potential hazard. Thank you for your cooperation. Please also park considerately – our neighbours still need access to their drives etc.

Just a reminder that parents/carers are responsible for the safety and behaviour of their child before and after school. Please ensure that your child does not go on the fixed play, castle or gym equipment as these areas are not supervised by staff.
