Newsletter No. 35

20th June 2025

Year 5 and 6 Residential to France

This week our Year 5 and 6 children had a residential visit to the Opal Coast in France. Over the week the children took part in a number of cultural activities and had the opportunity to practise their french speaking. The children were very well behaved and had a fabulous time in the sunshine, although they are now completely exhausted. We hope this opportunity has created many lasting memories of their time at West Haddon Primary.

Nursery

Our nursery continues to be a hive of activity and the children have lots of fun learning. Much of this week has been focussed on outdoor learning!

Our focus for Worship is Compassion

Scooters and Bicycles

It is lovely to see that there are a number of children scooting and riding to school. To ensure that your children are safe, please can I ask that all parents ensure that:

- Helmets are worn wherever possible.
- Children get off their scooters before they enter the school gate and push their vehicles to the scooter/bike racks
- Their children are mindful to pedestrians on footpaths
- Parents walking beside their children continue to supervise closely and carefully, particularly in The Green where cars are reversing and parking.

Many thanks for your continued support with this matter.

Headteacher Awards and Value Stars

Dates for the Diary

June

Wed 25th

Year 6 trip to Houses of Parliament

Thurs 26th

Yr 3 Swimming
