Year 6 Visit to Houses of Parliament

As part of our learning about British Values, our year 6 visited the Palace of Westminster this week. They were treated to a grand tour of the House of Lords and met a number of famous people as Prime Minister Questions was taking place at the time.

They also had a session about Democracy and how our Rule of Law operates, including how new bills are made into law. The children were particularly fascinated that, despite being a child, they had the right to make their voice heard by contacting their MP.

A special thanks goes to the office staff for spending many hours on the phone and online to ensure that our children had access to this experience – the tickets are very limited for schools and get snapped up within a matter of hours on the release day!

Value Stars - Compassion

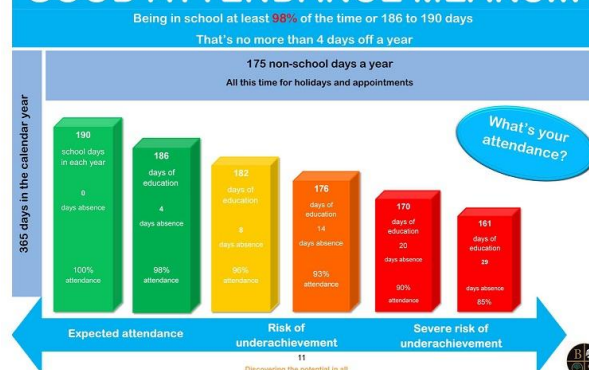

Many congratulations to our Value Stars for this month:

Walking to School and Scooters

Reminder –The Green and the roads around the school are really busy at drop off and collection. Please keep your young ones close to you, particularly if they are on scooters!

GOOD ATTENDANCE MEANS...

School Attendance

Thank you for supporting our school with good attendance and punctuality. We want all of our children to be successful in their learning and regular attendance ensures that the children have the best opportunity to make great progress whilst in their primary years of school. A child with attendance below 90% is at risk of severe under achievement and parents will receive regular reminders via letter to raise our concerns. Whilst I know that parents cannot help genuine illness, we would ask you to ensure that good attendance is considered carefully so that it does not impact on children's learning.

Our focus for Worship is Compassion And next month is Thankfulness
