KS2 Multisport Games Festival

A group of KS2 pupils took part in a games festival whereby they participated in lots of different activities to develop their skills in football, rugby and handball. They had lots of fun and worked well together.

Parking outside and around school

Please can we be respectful and considerate when parking and dropping our children off at school. Please do not block peoples driveways and park on the yellow zigzags as we do need to protect you and your children. If you are parking on The Green please can we ask that you switch your lights and engines off as this could be disturbing local people.

SECONDARY SCHOOL APPLICATIONS

Parents/carers of pupils in Year 6 who are due to transfer to secondary school in September 2026 are reminded that the closing date for applications is **5pm on 31st October 2025**. If you have not already done so, please ensure that you apply for a secondary school place for your child and that this is received before the closing date. A late application will mean that the chance of getting one of your preferred schools is reduced.

School places are not automatically allocated to any child even if there is an older brother or sister attending a secondary school or you live in an area linked to a particular school.
