Weekend Activities

for the Autumn term 2024

As part of our topic we are exploring how toys have changed over time, and how teddy bears are made. Please could you share pictures using your weekend books of.

- What toys your family enjoy the most?
- A picture of your favourite toy so you can show your friends.

We can't wait to see all the different

Pictures.

Thank you

Topic

Our topic this term is 'let's play'. We will be exploring changes that happen as we grow up from a baby to an adult. We will be looking at toys from the past and the present, exploring different materials and how toys have changed over time.

Clothing

Now the weather is getting colder, could we please ask that all children attend nursery with a coat, we like to go out whatever the weather.

We do have puddle suits and wellies but sometimes its not warm enough with just puddle suits and we only have a few spare coats.

Lunches

We are a no nut school, we currently have children that have severe nut allergies. Please ensure lunch boxes are nut free, this includes chocolate hazelnut pancakes!
Thankyou for your support.
