

WEST HADDON PRIMARY SCHOOL

Spring Term

Nursery

Welcome Back

We hope you all had a lovely Christmas, and a happy new year.

We would like to say a massive thank for all the gifts, its lovely to feel so appreciated.

Tapestry

Hopefully everyone is still able to see our regular updates on Tapestry, we have previously sent email activations to both parents however not all of them have been activated. If you need any support with the app, or activation emails resending please let us know.

Cool Milk

If you haven't already could you please also register you child for their free milk entitlement through Cool Milk at www.coolmilk.com

Many thanks

**Our Value for this month is
Hope**

Topic

This terms topic is 'wondland wonders'. This is one of our favourite topics, as we there are lots of great craft acitivities.

We will be looking at woodland animals their habitat, and footprints.

Also exploring the different seasons, and learning about growing plants.

Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in.

Here are some ideas to link with this terms topic;

- Go for a walk and see if you can see where rabbits and badgers live.
- Explore foot prints on the ground.
- Do you have any birds visiting your gardens?

This is a lovely experience for the children to share with their friends during circle time, they really enjoy chatting about them.

Please remember to visit our school website regularly for useful information <http://www.westhaddonprimary.net>
