

WEST HADDON PRIMARY SCHOOL

Autumn Term

Nursery

Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks.

If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

Each term we will put different activities on Tapestry which are linked to our current topic for some extra ideas.

This is a lovely experience for the children to share with their friends.

Topic

Our topic this term is 'Above & Beyond' we have turned our role play area into a space rocket and we have lots of fun activities planned for this term. We will be learning about the different planets and learning about the first man on the moon.

Clothing

Now the weather is getting colder, could we please ask that all children attend nursery with a coat, we like to go out whatever the weather.

We do have puddle suits and wellies but sometimes its not warm enough with just puddle suits and we only have a few spare coats.

Cool Milk

If you haven't already could you please also register you child for their free milk entitlement through Cool Milk at www.coolmilk.com

Many thanks

Hot Dinners.

Kingswood Catering are able to provide nursery children with hot dinners. These can be ordered through their website. You just need to search for West Haddon Primary and then set up an account.
