

Our Big Question: Do all animals have four legs?

What I should know already:

- ✓ I know that animals live in our world.
- ✓ I can name and identify some animals that live in a woodland.
- ✓ I know how to care for my own pets.
- ✓ That there are different countries other than England in the world.

What will I know by the end of this topic?

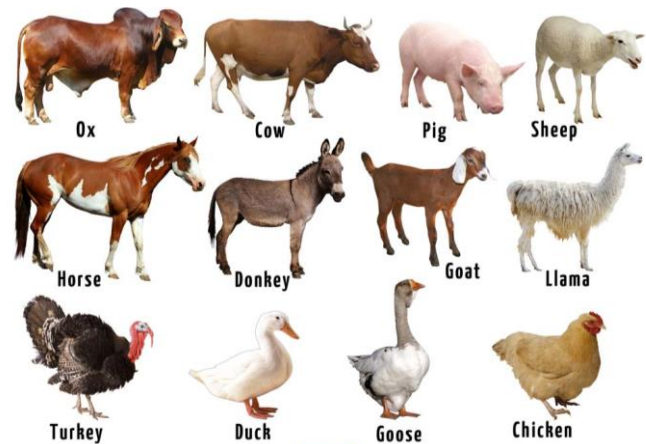

- I will be able to talk about similarities and differences between animals.
- I will know how to care for animals.
- I will know about Noah and his ark.
- I will learn that we get food from animals.
- I will know where different animals live.
- I will be able to talk about animals and their young.
- I will be able to identify different environments.
- I will be able to identify and name different animals.

Noah's Ark

Genesis 6:9–9:17

Noah was a righteous man and walked with God. Seeing that the earth was corrupt and filled with violence, God instructed **Noah** to build an **ark** in which he, his sons, and their wives, together with male and female of all living creatures, would be saved from the waters.
