Key indicator 1: The engagement of all pupils in regular physical activity – UK Chief Medical Officer guidelines recommend that primary school children should engage in moderate to vigorous intensity physical activity for an average of 60 minutes per day across the week.			
School focus with clarity on intended impact on pupils :	Actions to achieve:	Evidence and impact:	Sustainability and suggested next steps:
To encourage active play at playtime and lunchtimes throughout the school, particularly in the summer months when children are less keen to lead sessions	TA to be trained to deliver Sport Leader Training annually. Timetable needed for different children leading activities spread the load and helped to keep activities fresh. Resource folder to be built up in order to pass on materials and organisation for new leaders. TA to complete top up refresher training for new children throughout the year	TA received training for Sport Leaders Training led through PE sessions by sports coach And termly top up training led by TA Folder set up to pass onto new play leaders Hoodies purchased	Regular training annually for each new group of Y6 pupils although this can be completed by TA in school
To provide catchup swimming and extra lifesaving sessions	To assess and test children after COVID lockdown to review needs To provide a qualified instructor, staffing, coach and swimming pool sessions for at least 6 weeks	Assessments showed that 12 children in Year 5 and 6 needed further swimming top up An extra 18 weeks of swimming purchased to support lesson confident swimming Data showed that children in Year 6 achieved the national standards. Year 5 children well placed to achieve the national by the end of Year 6	Not needed for subsequent years.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils			
School focus with clarity on intended impact on pupils:	Actions to achieve:	Evidence and impact:	Sustainability and suggested next steps:
Focus on festival participation for Key Stage 2 children to introduce children to new opportunities for sporting activities	<ul style="list-style-type: none"> Lead festival days to introduce new sporting experiences Target children who do not normally take up sport activities or take whole classes if possible Signpost to local groups so that families can continue to access activities 	All 4 KS2 classes took part in festivals over the year although most festivals focused on skills participation rather than specific sports. KS1 and 2 offered a multi skills event afterschool Participation was much higher than in previous year which tended to focus on 12 children per class. Signposted a range of sports although minimal take probably due to the nature of the festivals. Tag rugby for girls in the rugby takeover event was highly successful with 75% children continuing to explore rugby within a club setting.	<ul style="list-style-type: none"> Make connections with local clubs and take whole classes for afternoon experiences – golf, indoor bowls, climbing etc. Invite local hockey club to lead sessions in school Invite local swimmers who took part in para Olympics to lead assembly – Ellie Robinson, Scarlett and Eliza Humphreys Set up termly competitions within school during the lunchtime with sports leaders – how hoops in a minute? etc.
Funding spent:			£1650

Key indicator 5: Increased participation in competitive sport			
School focus with clarity on intended impact on pupils:	Actions to achieve:	Evidence and impact:	Sustainability and suggested next steps:
To improve participation with Northamptonshire SSP in order to take part in a range competitions	Subscribe to Northants School Sports Partnership Subscribe to the Schools FA programme for football Liaise with cluster to set up links for competition within the cluster	Activities attended: --PE lead attended review session with Northants SSP 15 events attended over the course of a year, 8 of which were highly competitive – dodgeball, football, basketball, dynamos cricket, high 5 netball, cross country, indoor athletics with a total of 342 children taking part	Attend less competition and more festival type activities to increase participation numbers using a bus/coach to transport whole classes.
