

WEST HADDON PRIMARY SCHOOL

Term 2

Year 5

Welcome

I hope that you have enjoyed your half term break and the children are reenergized to start our exciting Christmas term. Thank you for taking the time to talk through your child's progress during Parents' Evenings, it was lovely to hear from you and to update you on their progress.

As always, please do not hesitate to come and see me at any point over the term to discuss how things are going or if you have any questions or concerns about your child. I will be available after school on the gate on Wednesdays, Thursdays and Fridays. The school office is always able to get a message through to me also.

Maths

In maths fractions are our key focus of learning this term.

We will continue to maintain our rapid recall of multiplication tables as well as corresponding division facts. Thank you for all of your continued support with this. Recommended websites are in Google Classroom if your children would like to practise interactively.

Dates and Things to Remember

Our PE lessons will continue to be on Monday afternoons and both indoor and outdoor PE kits will be required in school. I would suggest jogging trousers and a sweatshirt for outdoor PE as we do go out in all weathers. In addition, children need to keep in school an art apron (a large old T-shirt or shirt would be ideal).

We have the Life Education bus coming into school on Friday 15th November.

English

Last term, the children practised lots of Year 5 writing skills linked to their three genre focuses: myths, recounts for different audiences and flashbacks. This term, the children will use these skills to write their independent pieces which I am very much looking forward to reading.

It remains extremely important that your child is reading regularly at home. As part of their homework in Year 5, children need to continue to read at least twice a week with an adult at home. Please initial reading records, these will continue to be collected each Wednesday. In addition, children will continue with a reading comprehension task each week as part of their homework.

Topic

This term, our class topic continues with the focus area Ancient Egyptians which the children have really enjoyed so far.

Through a thematic approach, the children will continue to make links between many of their subjects, incorporating work through literacy, history and geography.

Homework

Homework will be set on a Thursday and should be handed in by the following Tuesday. A weekly spelling test will take place each Thursday morning. Times tables (now including division facts) will continue to be tested on Wednesdays. Our class book this term is *Krindlekrax* by Phillip Ridley.

**Our Value for this month is
Forgiveness**

Please remember to visit our school website regularly for useful information <http://www.westhaddonprimary.net>
