

Year 2, Term 3, Newsletter, Into The Unknown

Happy New Year to you all! We hope that you had a fantastic Christmas and New Year- thank you for the Christmas presents both to myself and the other members of the Year 2 team.

This term our topic is based around two explorers: Neil Armstrong and Christopher Columbus and why they were famous.

Just a quick reminder that if you write something in the green Communication Book then please ask your child to hand it to an adult as they come into school. Please also remind your children, (as we do) that if they need their reading book changed to put it into the box and to hand their homework in as well. Now that we are in Term 3 this should becoming part of their routine.

Please note as specified on the spellings given out at the end of last term that when there is a Curriculum Day (Friday), spellings will be tested on Thursday instead.

Due to the cloakroom now being in the library area could you please be mindful of the size of any bags that your child brings in. The school green pump bags are the perfect size and fit on the pegs well.

Dates to remember ...

date	event
Friday January 11th	Curriculum Day
