

Foxholes Term 4

I hope everyone had a good break. The main event of this term is our production 'There's a Sunflower in my Supper'. Year 1 will be singing and performing dances. You have had a letter about costumes. Our history topic is about development in transport. We will use the book 'Mr Gumpy's outing' and 'Mr Gumpy's car' to lead us to writing adventure stories. We will also look at non fiction writing. We will be developing our sentence construction and punctuation skills together with ongoing spelling rules and phonics learning. Please don't forget the spelling bee at the end of this term (words on the blue sheet). In maths our focus will be multiplication, division and fractions, together with continuing arithmetic, problem solving and mental maths. Science will continue to focus on 'Seasonal Changes' and 'Weather'. We will be focussing on Easter, and the big question, 'Why does Easter matter to Christians?' in RE. Computing will focus on making audio books. Our art lessons will look at Picasso and developing our painting skills. In PSHE I will be focusing on staying healthy through our whole school PSHE scheme. PE and music will focus on our play. Mrs Dawson will continue to deliver the 'Real P.E' scheme on Mondays. World book day is on Thursday 7th March and you will have received a school letter about this. We will be responding to the book 'What If' by Anthony Browne. Curriculum days continue so please check what activity your child will be doing and dress them appropriately. We also have Science week beginning 11th March. Towards the end of term we will be carrying out assessment tests, nothing to worry about but gives me an accurate gauge of their progress. Oh and there is Easter too! Gosh I feel exhausted just writing this! What a busy term! I am sure the children will continue to work very hard and build on the excellent progress they have already made. I look forward to seeing you at parents evening.

Kind regards

Harriette Pulling
