Fixed Play Apparatus

Please can I remind you that children are not permitted to use the fixed play apparatus before and after the school day as these areas are not supervised by our staff.

CROSS COUNTRY

Some of the children from Year 3, 4 5 & 6 took part in a country cross country event at Daventry Sports Park this week. The children really enjoyed it and a big thank you to all the staff and volunteers who help out to enable us to take part in these events.

Building Update

You may have noticed that the builders are starting to retreat from our site – yippee! The hall is nearly complete – carpets are being fitted this week and the new toilets are being plumbed in as well. We also hope to crank up the underfloor heating before the end of the week to help with the drying out process. Over the next few weeks, the workforce will concentrate on repairing the groundworks, resurfacing the additional playground and a final 'tidy up' before leaving the site in the first week of next term.

HEADTEACHER AWARD AND VALUES STARS

NURSERY TORTOISE VISIT

Mrs Packer very kindly brought in her tortoises (Winnie and Herbie) to visit the Nursery children this week. The children were fascinated by them and loved learning about what they eat and how to look after them.

Food Bank Donations

Thank you so much for all your food bank donations – we will be collecting again for Community Worship on Friday 5th April. I know Rugby Centre really appreciates our support.
